LIEVITATI NATURALI

PIZZA AL METRO

Unsere Pizza entsteht nach dem Prinzip der Lievito Naturale, die liebevoll auch Lievito Madre also italienische Mutterhefe genannt wird.

Durch die zeitintensive Herstellung des Hefeteigs wird unsere Pizza besonders knusprig, luftig und gut bekömmlich. Modernste Technik, ein innovatives Verfahren und viel Know-how sowie Leidenschaft lassen den Teig perfekt werden. Biologische und regionale Zutaten machen unsere Pizza »al metro« zu einem Erlebnis!

Die Idee für unsere besondere Pizza-Gourmet haben wir gemeinsam mit Alvise Ballarin aus Cavallino, Venezia ins Leben gerufen. Alvise betreibt dort die Trattoria Laguna, dem Geburtsort unserer Lievito Naturale. Ein Besuch bei ihm lohnt sich!

Search his page on Facebook: Trattoria Laguna e Lievitati Naturali

Our Pizza is made according to the principles of the Lievito Naturale, also called Lievito Madre, meaning Italian mother-yeast.

Due to a slow production of the yeast dough, our Pizza is very crispy, airy and well balanced. Thanks to the latest technology, an innovative process as well as lots of know how and passion make our dough perfect. Don't miss the experience of our "Pizza al metro" with the best organic and local ingredients.

We initiated the idea for our special "Pizza-Gourmet" with Alvise Ballarin from Cavallino, Venezia, where Alvise runs his Trattoria Laguna. It's the birthplace of Lievito Naturale. Visit him - it is more than worth your while!
